

From the Chairman

As more job roles open up for Society Members working with teams, Professor Graham N. Smith discusses how the word 'physio' has become a generic title for any therapist working pitch-side. So, is it time for the Society and its Members to make their voices heard?

Newsletter Feedback

The Society Wants to Hear From YOU

We are looking for feedback on the Society newsletter and want to hear your views.

- What do you like or dislike?
- Do you have ideas for new features?
- Have you got a news story or know of someone else who you should be featured?

All ideas welcome. Email us with brief details and your preferred contact details, and a member of the Charles Whitney team can give you a call.
