

ATTENTION : Sports Therapists

This could revolutionise your treatments on or off the pitch!!

And it would only take 5 days to learn.....

“There is no other concept in the field of manual therapy, that is applicable to the entire musculoskeletal system and that when indicated gives you an instant pain free result. There is no other concept in the field of manual therapy that only requires 2 to 3 minutes to establish if it is indicated. A bonus is that when indicated it is diagnostically significant.”
